City of Alameda Code No. 3270 Approved by C.S.B. October 12, 2005

#### PERMIT TECHNICIAN II

\_\_\_\_\_\_

### **DEFINITION**

Under general supervision, performs technical, administrative, and computerized work involved in the receipt, processing and review of building permit applications, and in the issuing of building and related permits; performs other related work as required.

## **DISTINGUISHING FEATURES**

Work in this class includes responsibility for approval of routine basic over-the-counter permits. Incumbents are required to possess an International Code Council certification as a Permit Technician.

# **EXAMPLES OF DUTIES**

- 1. Receives inquiries, and reviews and evaluates permit applications, construction plans, blueprints and other supporting documents for completeness, accuracy and conformance with local, state, and federal building codes, regulations, requirements, and other applicable established criteria.
- 2. Processes and issues various building and other related permits; approves routine basic over-the-counter permits.
- 3. Performs routine plan checks for compliance with established criteria.
- 4. Coordinates plan review; monitors and coordinates project submittals; reviews plan check comments for consistency; compiles plans and blueprint comments; reviews annotations and comments with applicants; facilitates pre- and post- application conferences for permit submittals.
- 5. Uses fee schedules and designated calculations such as square footage, to determine values and calculate and assess preliminary and final fees; collects, records and balances permit related monetary transactions.
- 6. Performs extensive responsible and complex computerized data entry, data organization, and records access.
- 7. Records, logs, compiles and maintains various permit related files, data, documents, plans, blueprints and reports.
- 8. Researches, compiles and summarizes a variety of information and data regarding building, planning and related issues, such as occupancy uses and property histories; may prepare various reports, statements or logs.
- 9. Provides information and instruction regarding building and planning review, permitting processes and common code issues; maintains knowledge of applicable laws and procedures; interprets and explains rules and regulations; answers questions and resolves problems or complaints.
- 10. Participates in the administration of assigned activities; may recommend and participate in the implementation of policies and procedures.
- 11. May provide lead direction and training for assigned staff.

# **EMPLOYMENT STANDARDS**

### Education/Experience

Any combination equivalent to education and experience likely to provide the required knowledge and abilities. A typical way to obtain the knowledge and abilities would be:

Education: Graduation from high school supplemented by specialized training and education.

<u>Experience</u>: Three years of responsible public contact experience at least two of which shall have involved work with building permit processing, land use regulations, construction, drafting, or plan review for a public agency.

## Knowledge

Knowledge of plan check and permit approval processes and procedures; building construction practices and materials; drafting symbols, customs, and techniques; applicable local, state, and federal codes, regulations, requirements; modern office equipment and designated specialized equipment. Knowledge of applicable computer software and operating programs is desirable.
